Dear Friend of St. Paul the Apostle Catholic School,

St. Paul School in Richardson, Texas would like to ask you to join us in celebrating our **50th year** of providing excellence in education to area students by donating to our auction, "**Jubilee - A Vintage Fifties Experience**". The auction will be held in the school activity center on March 1, 2008. The proceeds generated from the auction enable St. Paul School to make improvements, such as updating the science lab, library and athletic fields, as well as keeping tuition cost increases to a minimum. Our auction allows us to effectively continue our mission of "Preparing Minds, Nurturing Hearts".

St. Paul School is a self-supporting, co-educational, non-profit school offering educational programs to students from Pre-Kindergarten through Eighth grade. We have approximately 400 students enrolled in our school and more than 1,700 families registered in our parish. The United States Department of Education awarded our school a Blue Ribbon Award for Academic Achievement in May of 1999. Several of our teachers have received the "Work of Heart" Award for their contributions and service to the educational community and its members.

In order for our auction to be successful, we need businesses such as yours to help support us. We would like you to consider sponsoring our event, purchasing ad space in our auction program, and/or donating an item or service for our auction. Your contribution will be recognized throughout our auction events, in our program and in pre-auction publicity. The families of St. Paul School will be encouraged to patronize your business. School improvements, such as a new library and science lab, depend largely on contributions from businesses like yours.

We at St. Paul School hope you will agree to make a donation to our school this year. Any contribution, either merchandise or a cash donation, will be greatly appreciated and go a long way in helping support our school. Donations must be received by February 15, 2008 to be included in program and pre-auction publicity. The families of St. Paul School thank you, in advance, for actively participating in our children's growth and education. If you have any questions or need assistance in picking up your item, please contact our auction committee and we will gladly assist you.

Sincerely,

Chrissi Gumbert
